Oral Abstract Submission Closes	Friday 10 January 2020
Poster Abstract Submission Closes	Friday 7 February 2020
Notifications	February 2020

Abstract Themes

- Precision oncology
- Clinical genomics
- Single cell genomics
- Regulatory regions and epigenetics
- Functional genomics
- Genetic diagnosis
- Population scale genomics
- Neurogenomics
- Human evolution
- Ethics
- Genomic therapies
- New genomic technologies
- Non-coding RNAs

Registration

Please note that submitting an abstract does not automatically register you as a delegate. **All authors who submit an abstract are required to register for the meeting before reviews will commence.** Failure to register will result in the abstract being withdrawn.

If the presenting author is unable to attend the conference, please notify us of an alternative presenter or withdraw the abstract. Any alternative presenter must also register for the conference.

Abstract Submission Guidelines

Each registrant may submit one abstract of his/her work as presenter. The registrant can select to have their abstract considered for an oral, poster or both formats. It is expected that the abstract will include recent work. Inclusion of original work not previously published is highly encouraged.

Only those abstracts that have been reviewed and selected by the Abstract Review Committee may be presented. Abstract submissions will only be accepted electronically through the abstract submission module; paper abstracts will not be accepted.

Words: 400 words

Format: .doc or .docx ONLY

Please note that applicants may be offered a presentation format different to that applied for and not all applications may be accepted.

The oral abstract submission deadline is Friday 10 January Midnight AWST

The poster abstract submission deadline is Friday 7 February Midnight AWST

Terms and Conditions

- You have read, agreed to and meet the eligibility criteria and presentation format requirements of the sessions that you have applied for.
- Accepted authors will pay and register for the meeting prior to the review process commencing. Failure to register will result in the abstract being withdrawn.
- The acceptance of an abstract does not imply provision of travel, accommodation or registration for the meeting, nor any other costs associated with preparation or presentation of the abstract, and any costs associated with attendance at the meeting.
- You give HUGO permission to publish your abstract, PowerPoint presentation and/or Poster on the Conference or HUGO HGM 2020 website, USB drive and in the meeting Handbook if it is accepted for presentation.
- You give HUGO permission to film or photograph your presentation at the meeting.
- You confirm that the submission has been approved by all authors.
- The abstract submitted must not have been published previously or accepted for publication in whole or in part by medical journals. It is acceptable that the research may have been previously presented by the author at either a national or international conference, and subsequently published elsewhere in printed or electronic form such as an abstract supplement.
